

HPIRC

Hawaii Parent Information Resource Center

The Hawaii Parent Information Resource Center is a partnership of not-for-profit family centers, the Hawaii Department of Education, and targeted Title I schools on the islands of Oahu and Hawaii. HPIRC provides resources, training, and technical assistance statewide, particularly targeting Title I schools and immigrant communities.

HPIRC Services:

- ▶ Providing comprehensive training, information, and support to parents of Title I students & professionals who serve them.
- ▶ Integrating technology to engage parents & professionals with online resources and training opportunities.
- ▶ Leveraging resources & skills to improve academic achievement & parent involvement.
- ▶ Providing resources for parents, schools, and State-level professionals.
- ▶ Supporting schools & churches in providing workshops and parent activities directly linked to academic achievement.
- ▶ Helping families understand how No Child Left Behind (NCLB) helps schools & students to improve academics.
