## **YMCA of HONOLULU**

*We build strong kids, strong families, strong communities*

**The YMCA of Honolulu serves more people on O'ahu than any other direct-service, non-profit organization.**

Over 4,000 families receive financial assistance annually from the YMCA. Through the generosity of donors, the YMCA is able to provide opportunities for youth, adults and families to participate in YMCA programs.

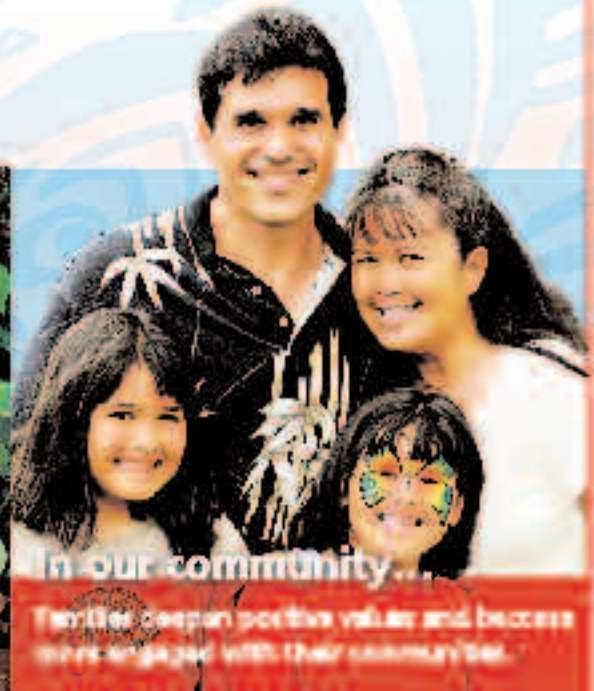

### **With this paper...**

*Children begin to create colorful hopes and dreams*

### **On this ground...**

*Teens and young adults take steps toward building confidence and self-esteem.*

### **In our community...**

*Families deepen positive values and become more engaged with their communities.*

**The YMCA of Honolulu... *inspiring life-long development for Hawaii's youth and families***
